

HFG U10 LAZERS NEWSLETTER

Volume 1, Issue 1 July 2007

2nd Annual Lazer Camp

Camp begins Monday July 23rd and lasts through the week. Focus on your footwork and ball control so we can begin to split practices into offense and defense to prepare for the season.

We have many area coaches all focused on something different so give 110% each day. Coach Jackie and I will be with you throughout the camp. We will work

our way through 4 stations each night so everyone can see each coach twice.

Friday will be used to summarize the weeks activity and end with team scrimmages.

There will be someone from CMSA (Our travel league) at camp Tuesday and Thursday to provide picture ID cards. If you did not get one last year you must

renew — please bring \$5 and their birth certificate on those designated days.

1st Annual “Lazer Open”

Preparations are under way to organize the 1st Annual “Lazer Open” golf outing.

This affair will have more

laughs than a Chris Rock show — who knows, we may break par on the front 9 but as long as the beer is cold

and keeps coming it’s a good day.....

Look for more details in the coming weeks.

Team Captain Party

This year's Team Captain Party will be one to remember! Coach Jackie has offered to hold the event at her home this year — nicely equipped with a pool and my favorite, pool bar. We will have Live entertainment from 4:30pm—6:30pm.

Shortly after arriving everyone will cast their

vote for two teammates that consistently provide leadership on the field, performs at a high level and inspires others to play their best. Coach Jackie and I will select one additional Team Captain who demonstrates the Lazer Way — Commitment, Leadership and Teamwork. Once the ballots have been counted the Captains

will be announced to the team and parents.

All new Lazers will receive their uniforms, team bags, and Lazer car stickers.

Everyone will receive their team jackets and pants courtesy of Steve and Maggie McPhail. Please thank them for their generous contribution to the team.

Mia Hamm Corner

“I am a member of a team, and I rely on the team, I defer to it and sacrifice for it, because the team, not the individual, is the ultimate champion” ... Mia Hamm

If any of you were wondering what it takes to be a great Team Captain you should embrace this quote — it doesn't matter if you're the best player on the field,

if we do not work as a team we will not be successful.

The Lazer Way — Commitment, Leadership and Teamwork.
