Most Valuable Player Award

This award will go to the most outstanding player for the Fall U10 Outdoor program. This teammate will need to demonstrate leadership, consistency and above all — a stand out as the most dominant

player on the team.

The award will be a signed World Cup Replica Soccer Ball with signatures from all coaches that attended camp—including Thori Bryan, Billy

Nelson and Mike Potter who were all favorites among the players.

We will present this award after our last tournament at a location yet to be determined.

“True champions aren’t always the ones that win, but those with the most guts” ... Mia Hamm
I want everyone to reflect on the things you can improve upon from

our Parkville Tournament and bring that to this season. We are getting better with every game but I know this team has great potential. Keep working hard and

always be prepared for every situation—your time will come.
