## Lazers ROCK Cockeyville!

Tommy Smyth  
ESPN Soccer Analyst

The Lazers wasted little time during their game vs. Cockeyville when Caroline finished a great shot 7 minutes into the match. Cockeyville battled back and held the Lazers scoreless the rest of the first half. It was a gutsy effort on both sides of the ball. Shortly into the second half Cockeyville drove a fast break down the field and took a tremendous shot on goal—their keeper, Bridgette, made an unbelievable first save but with a lucky bounce Cockeyville scored to even up the match. The Lazers have already been tested this season and seem to gain confidence and stamina as the match wears on. This game was no exception when Caroline scored their second goal of the match. When behind the Lazers are dangerous — with a lead in the second half they are down right scary. Two more goals were scored, a fabulous shot from Olivia and aided into the net by Morgan, then Hannah took a great pass up the left side of the field and finished her shot into the back of the net.

These Lazers got great play from everyone on the team but especially from their Midfielders on this day, which was the difference in the match. Their ability to settle, drive to open space and make Cockeyville pay for their lack of effort resulted in 3 of the 4 Lazer goals. If the Lazers continue to play like this the rest of the season they will be a force in their division.

Lazers arrive to Warren ES today jamming to their new Lazers ROCK CD and adorned with Carolina Blue war paint—it was fitting on this day...a day when the Lazers set the tone for the season.

## Lazers Gear Up for Indoor!!!

Our U10 team is already looking ahead to another exciting indoor season starting Sunday November 18th at the Maryland Sports Arena in Edgewood. This is a great way to keep the girls involved with

the team and the sport. I can tell you from personal experience that you gain almost an entire full season worth of skill and experience playing through the winter. It improves field presence, ball skills

and confidence. Its also a great time to spend with the team.
