

## Lazers Inflict a CRUSHing Force!

Tommy Smyth

This was a match I had been waiting to see after their first meeting ended in a 1-1 draw. The Lazers were the best team on the field September 9th but how would they respond the second time around. The Lazers looked great in their home white uniforms on a perfect fall afternoon. They were focused from the beginning, each teammate knowing exactly what was expected and how to handle the match. Their first two goals were scored by Hannah, their up and coming Left Striker. She has been playing great soccer the last couple weeks and continues to work hard. There were several other great shots taken during that first half from Lauren C, Morgan and Casey. The third goal of the first half came with less than 5 minutes remaining, on a sensational pass from Morgan, across the middle to Shelby who buried a great finishing shot into the back of the net.

The second half started the way the first half ended - with the Lazers pounding the Force. The Lazers were clearly the best conditioned team with relentless subbing that crippled their opponent with speed and aggression. Lauren F took a pass from Casey across the mid line and drove deep into the penalty area before taking a wicked left shot into the far right corner of the net. That goal was followed by another drive through the zone by Casey who ripped a great shot off her right foot. Even after Coach Jamie and Coach Jackie shut down the scoring the Lazers continued to dominate the middle of the field and tempo of the game. All the scoring was complimented well with a fantastic performance by their defense: Cassie, Taylor, Caroline, Keirstan, Kendall and Olivia performed exceptional, shutting out the Force all afternoon.

This team is clearly on its way to a sensational season and all teams in the division better take notice before they become just another casualty.

Coach Jamie talks to the Defense in preparation for game time as the offense gets their WAR paint on!
