

Lazer Fever Continues!

This match was physical from the opening whistle for Hickory and wouldn't let up all afternoon. Their opponent, Hereford, certainly came to play but the game was overshadowed by many near misses from Hickory's offense. The unit played tough all day, passing the ball around the middle of the field but nothing would go in the net. Hickory appeared out of their game plan which is normally to settle, push and control the ball. The key to Hickory's success has always been time of possession and control inside the penalty box. The first half ended with a 0-0 tie.

The coaches for Hickory settled their ball club down at half time emphasizing their original game plan and it paid off. Shortly into the second half Taylor stole the ball at mid field, weaved her way through Hereford's defense and took an uncontested shot from the penalty box. Her goal gave Hickory the lead with a thunderous roar from the sideline. They continued to play tough defense and challenged Hereford for every ball. The game was tied up on a fast break that just beat Hickory's aggressive defense. Hickory turned up the heat after that play and every forward pushed the ball down field, each shot just missing — the last one with a minute to go bounced wide left off the post...it was that kind of day.

Hickory was pleased to leave the field with a draw and another point in the standings. Hickory kept Hereford from pulling into a tie in the standings and now have their sights set on the upcoming Columbus tournament. I am sure the club will make the necessary adjustments in practice to have another great tournament.

Lazers Halloween Party at the Ayres!!

We have another great party to attend — this time thrown by the Ayres. Morgan has been very excited to tell me for a couple weeks now that this was in the works.

The party will be Saturday October 27th starting at 4:00pm. There will be a lot of great games for the kids to play and the usual good food. The Ayres will supply hamburgers and hotdogs and

everyone can spice things up with their favorite dish.

More info to follow but mark your calendars now!!!!
