

## Lazers Continue to SHINE!

Our coverage began Saturday morning at North Harford Elementary School. There they would test their skill against a regular season rival—Bel Air. The team came out very aggressive and dominated time of possession. Everyone was on their game—trapping, passing and finishing resulting in two first half goals by Lauren F. and Hannah. The team looked sharp and if not for a couple missed opportunities in front of the goal the score would have been higher. The trend continued into the second half with two additional goals by Morgan and Taylor. The midfielders played great and Bridgette was dominant in the goal.

The team headed back to Southampton where it would play another Bel Air team at 2:00pm. Unfortunately the team came out flat and struggled the entire match. Positives for this team included their determination to fight until the final whistle and their hustle on every play. The match ended with a 3-0 defeat but you could tell this team was not happy with their performance and had something to prove on Sunday.

Their final game began at 10:00am back at North Harford Elementary School against a very skilled and aggressive Jarrettsville team. Their opponent was undefeated in their regular season schedule and had yet to suffer a loss this year, that is until they ran into this fired up Lazer Soccer Club. With everything on the line and still a chance to make the Championship game the Lazers came out and were superb—they quickly jumped on Jarrettsville with excellent scores by Shelby and Hannah. Each of their goals came off of tremendous passes from their center forwards Casey and Morgan. Their midfielders were intercepting Jarrettsville passes all afternoon and the sweepers continued to clear balls from the middle to the wings. Their finest performance came from their keeper—Olivia, who made over 15 saves during the match. This was clearly their best team effort of the season winning 2-1 and sets them up for a run at the Season Championship.
