All games will be played at Cedar Lane Regional Park between 9am - 7pm unless inclement weather delays games into the evening. One referee will be available for each 45 minute game. There will be a warm up period prior to each game that will start at 15 minutes after the hour. All 3 games will be clustered with down time in between to avoid lengthy delays. **It is important to send your Registration & Roster Forms early since there is limited space available for the event.**

A team check-in is not required prior to your first game unless you have additional players added since completing the Roster Form. All FIFA Rules apply during the event with all referee decisions being final.
