

October 2009

LSC Futsal Academy

April \ May 2010

Our 2010 Futsal Academy is shaping up to be a great opportunity for all age groups in the program. The Academy is designed to create a very competitive league while allowing LSC coaches to instruct and improve skill. Space is limited with dual age groups so if you are interested you must get your registration form submitted early. The forms will be finalized and be available by 11/15/09. LSC players have first priority and will fill all spots available, if any open roster spots are still open they will be filled from players outside of LSC. Look for more information soon.

The Lazer Way
Commitment,
Leadership and
Teamwork.

Soccer Class of 2009

Congratulations to the following LSC players for making their High School Soccer teams in 2009. LSC continues to produce quality, high caliber players for our area High Schools.

Bel Air

- U14 Girls - Ashley Bradley JV
- U15 Girls - Michaela Gale JV

John Carroll

- U14 Girls - Susie Snee JV

Harford Technical

- U15 Girls - Jordan Magsamen JV
Megan Freeman JV

Fallston

- U15 Boys - Tyler Andrus JV
Nick Baker JV
Nick Buckler JV
Jeremy Scranton JV
Luke Skinner JV

CMW

- U14 Girls - Brooke Pridgeon Varsity
Jessica Hurtt JV
Ida Ehrhardt JV
Eva Ehrhardt JV
Lindsay Sheridan JV
Holli Rutkowski JV
- U15 Girls - Megan Luzetsky JV
Sophie Kuzma
- U15 Boys - Andrew Brown JV
Alex Cantor JV
Kyle Fishler JV
Ryan Kinney JV
Joey Krawejewski JV
Andy LeBrun Varsity
Steffan Olaya JV
Caelen Sawyers-Abbott JV
Ricky Scheeler JV
Andrew Venanzi JV

North Harford

- U15 Boys - Alex Siejack JV

Calvert Hall

- U15 Boys - Thomas Carrol JV

Garrison Forest

- U15 Girls - Mackenzie Wilson JV

2009 Training

Rock Solid Keeping

LSC offered our first program sponsored training with Rock Solid Keeping in 2009. Everyone who participated received valuable training that was very well received. I want to thank Chad Lorenz for partnering with LSC and look forward to expanding our relationship in 2010.

Lazer Blast Camp

LSC was able to partner with The Baltimore Blast for our second straight year to bring another great year of soccer training. We recognize that many of our older teams need more tactical training and will look to incorporate that into next years camp. We will ask for additional volunteers in the Spring as we begin to plan our 2010 camp. Some options may include keeping the technical stations at Hickory Park for the younger teams and using Cedar Lane for tactical work & scrimmages. More info will be included in our Spring program newsletters.

www.lazersoccer.com

Congratulations LSC - our site just past 20,000 visitors to our program site. When we began promoting information on our site in the Fall of 2007 we had just over 1000 visitors. In just 2 short years with the many programs and teams contributing that number has climbed to 20,014 as of October 22, 2009.

Program Fundraiser - Pizza UNO

Our program wide fundraiser is now under way and will last through November 6th. All profits from the sale of pizza and pasta products will be kept by each team to maximize the earnings potential. The products are outstanding and are comparably priced to that of

BJ's and other stores carrying the products in the area. Team kits are being distributed to all coaches to take advantage of the program. If you have any questions please contact your coach for more information. All products will be picked up at Hickory Park on Saturday December 5th. More information will be sent out via email over the next 3 weeks. A strong turnout of this program will benefit LSC by allowing Pizza Uno in Bel Air to sponsor our Futsal Academy in the Spring and help offset expenses.

Good luck - if everyone on the roster sells at least 5 products your team will get a free pizza party at Pizza Uno in Bel Air.

LSC's "Most Valuable Players"

As most everyone is aware October is Breast Cancer awareness month and many other cancer related events are occurring including "Walk the Night". We support all our immediate and extended LSC families wishing them a speedy recovery.

Please see the link on our LSC home page for a special ABC 2 News tribute to Dyanne Barnes from our U9 Girls team. Dyanne was recently diagnosed with Breast Cancer and all the players on the team, including her daughter Meghan, wear special Breast Cancer Awareness patches. It is a wonderful video and our program could not be more proud of our U9 Girls Lazer team.

Cedar Lane Regional Park

As many of you are aware much needed repair work is planned for Cedar Lane Regional Park following our soccer season. Some repairs have already taken place in many of the bare and low lying areas on fields across the park. The practice season has been extended at Cedar Lane through next week with the help from the HFG Soccer Program. Please do your best to maximize the remaining light before we head indoors to finish some practices at the Activity Center.

2nd Annual Scrimmage Fest

Our 1st Annual Scrimmage Fest was a big success enabling us for the first time to host a tournament type event. We had 17 different programs participate this year and expect that number to continue to climb. We have the capacity to handle 90 teams on each day to maximize program profits. The program will organize a Scrimmage Fest committee and ask for more volunteers to ensure it continues to be a success.

Participating teams (including volunteer efforts) will benefit from additional program training in 2010. Proceeds from this event are earmarked for training and team accounts throughout the Summer and Fall months. The bigger the event the more training LSC can provide to improve the quality of our teams.

Our 2nd Annual event will be August 7th & 8th, 2010.
